Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Delayed Effective Date: if your spouse or child has a serious injury, sickness, or disorder, or is confined, their coverage may not take effect. Payment of premium does not guarantee coverage. Please refer to your policy contract or see your plan administrator for an explanation of the delayed effective date provision that applies to your plan. Exception: Infants are insured from live birth.
