

**IMPORTANT: This is a fixed indemnity policy, NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

**Looking for comprehensive health insurance?**

- Visit [HealthCare.gov](https://www.healthcare.gov) online or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

**Questions about this policy?**

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

## EXCEPTIONS AND LIMITATIONS

The policy pays only for loss resulting from a covered sickness or accident as defined in the policy. It DOES NOT cover loss due to:

1. A voluntary participant in any war or any act of war, declared or undeclared.
2. Intentional self-inflicted injury or attempted suicide.
3. Voluntarily participating in an illegal occupation or felony.
4. Routine physicals.
5. Custodial, intermediate care, or rehabilitative confinement.
6. Mental, nervous, or emotional disorder without organic origin.
7. Alcoholism or drug addiction.
8. Being intoxicated or under the influence of any narcotic unless taken as prescribed by a physician. To be excluded, the fact that you were “under the influence of any narcotic” or “intoxicated” must have substantially contributed to or caused the loss. “Intoxicated” means that condition as defined by the laws of the jurisdiction in which the loss occurred.
9. Dental, elective, or cosmetic surgery or treatment, except as a result of a covered injury or congenital defect of a newborn child.
10. Hernia, tonsils or adenoids during the first six months of coverage, unless treated on an emergency basis.
11. Well baby care.

## PRE-EXISTING CONDITIONS

Benefits will not be paid for pre-existing conditions during the first twelve months the coverage is in force. A “pre-existing condition” means a sickness or injury which was diagnosed or treated within six months before the effective date of coverage, or a pregnancy existing on the effective date of coverage. After the coverage has been in force for twelve months, we will pay benefits for any pre-existing condition not specifically excluded.

## RENEWABILITY AND CONTINUATION

The Hospital Confinement Plan (HCP) and riders are guaranteed renewable during your lifetime. The company may change the established premium rate, but only if the rate is changed for all policies and riders like yours in your state. This coverage will not be issued to anyone 65 years of age or over. If you purchase the HCP and/or riders prior to your 65th birthday, you may continue coverage after age 65, except for disability riders, as long as you continue to pay the premium by the due date or during the 31 days that follow. Covered dependents who no longer meet eligibility requirements, may convert to a comparable individual HCP without evidence of insurability. A spouse can continue coverage under this policy upon your death.

## COVERAGE EFFECTIVE DATE

Effective date means the date shown on the Policy Schedule page for all persons accepted for coverage at the time of issue, provided the application has been accepted and approved by us; the policy is issued; and the first premium has been paid; or the date shown by endorsement for all persons added to coverage after the policy has been issued. The effective date is assigned by the Company in accordance with our policy dating rules in effect at the time your policy is issued. The coverage provided by the policy will not be effective unless there has been no change since the date of the application and the effective date of the policy in the health of any proposed insured person listed on the application.
